ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received at the Board of Patent Appeals and Interferences on August 2, 2005. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below.

An Information Disclosure Statement (IDS) was filed April 4, 2001 and April 24, 2002. It is not apparent from the record that the examiner considered the statements submitted nor notified applicants of why his submission did not meet the criteria set forth in 37 CFR §§ 1.97 and 1.98.

Further, the reference listed below, relied on by the examiner in the Examiner's Answer filed February 9, 2004, listed under "Prior Art of Record", has not been scanned into the file.

Christopher Buckingham Deposition

Accordingly, it is

**ORDERED** that the application is being electronically returned to the Examiner for such consideration of the Information Disclosure Statement, to have the reference listed above scanned into the file, and for such further action as may be appropriate.
